

### A BIG RACE MEET.

Steuvenville's Races Will Draw Some of the Best Riders.

### JOHNSON AND "PINKY" BLISS

Have Promised to Come, and Will Meet There for the First Time This Season—Bliss Will Go the Mile Against Time—The Prize List is a Good One—Local Men Will Enter.

The Steuvenville Athletic Club is a new organization, but it has undoubtedly resurrected the interest in athletic matters that formerly characterized the town. Under its auspices one of the best half-mile bicycle racing tracks in the country has been built. It was formally opened on the Fourth, and the multitude that attended the Class A events attested to the revival of interest in things bicyclic.

Encouraged by the success of the last tournament the club has arranged for one on more pretentious lines for July 31 and August 1, at which a number of the Class B cranks will appear. Two experienced race promoters, W. C. Anderson, of the Hartford Wheel Company, and R. C. Lennie, of the Pope Company, have been engaged by the club and they have succeeded in securing the entries of two of the trio that are looked upon as the most probable successors of the great Zimmerman—these are Bliss, of the Rambler team, and Johnson, the speedy Swede, who races under the colors of the Stearns people. The two have not met this year up to date, and this battle of the giants at Steuvenville will be the great drawing card. Other Class B lights, who will attend are Githens and Lumsden, of the Rambler team, and several others.

The prize list is a good one, arranged as follows:

### MAHER WON THE FIGHT.

The Irish Champion Settles the Colored Man in the Second.

Boston, July 16.—At Music hall tonight, after two rounds of as hot fighting as Boston has witnessed this season, Peter Maher stood waving his arms over the prostrate form of Frank Craig, the colored wonder from New York, whom he had knocked out by a chance right hander.

It took but five minutes to settle the darker's championship aspirations, and early in the battle, it looked like a walk for him to win. In the second round Maher sailed into the negro and for the first minute it was give and take with honors even. Then the battle inclined to Maher and he followed Craig all over the ring and finally caught him a stiff upper cut full in the face. Before the darker could get his guard into place Maher caught him a light one with the left again. Then Maher shot his right and Craig fell to the floor with a bang that could be heard all over the hall. There he laid until time-keeper Dan Murphy notified the referee that the time was up and the negro's seconds lifted him to his feet. He was then unconscious, but a few minutes, careful handling brought him around.

### BRIGHTON BEACH RACES.

Again a Favorite was Left at the Post and Lost—The Results.

New York, July 16.—The usual troubles of the past occurred again today at Brighton Beach. In the second race after many trials Lord Harry was left at the post in a field of nine starters and St. Felix got a fine running start of three lengths, which he held to the end, winning by two lengths from Wheeler, who was half a length in front of Rosa II. In the opening race Bolivar was left at the post. Robusta was made the favorite, but the best she could do was second to Panway. The fourth race went to Stonenell easily, for Hasbrouck could not get up to the Dwyer sprinter after the turn into the stretch. Summaries:

First race, five furlongs, selling—Panway, 102, (H. Jones), won by two lengths; Robusta second, Tom Finlay third. Time, 1:02.

Second race, five furlongs, selling—St. Felix, 110, (Doggert), won by two lengths; Wheeler second, Rosa II. third. Time, 1:03.

Third race, five furlongs, selling—St. Vincent, 98, (Keefe), 15 to 1, won by a nose; St. Pauline second, Canadian third. Time, 1:03.

Fourth race, six furlongs—Stonenell, 114, (Simms), even, won by four lengths; Dr. Hasbrouck second, Logan third. Time, 1:14.

Fifth race, mile and a furlong—Tom Skidmore, 102, (Griffin), even, won by a nose; Mr. Sasse second, Marshall third. Time, 1:55.

Sixth race, mile—Skeddaddle, 117, (Doggert), 10 to 5, won by three lengths; Koller second, Vold third. Time, 1:43.

### The Tennis Tournament.

Hoge; Wrightman Frazier and Thurman Selby; Carl Laah and Charles Wood; Roy Wood and Hal Watson; Howard Smith and C. K. Williams. The singles will occupy all today. ### MILLY CHAPIN DEAD.

An Ex-Slave Dies in Clarksburg at the Advanced Age of 103—Present at Stonewall Jackson's Birth.

CLARKSBURG, W. Va., July 16.—A prominent character in the history of West Virginia, in the person of Millie Chapin, has just died in this city, at the great age of over 102 years. Since about 1800 she has lived here continually, with the exception of a few months spent near Parkersburg, where she distinctly remembers seeing the unfortunate Blennerhassett, and about the same length of time passed in Philadelphia.

Her recollection of people and events in Clarksburg extended back more than three-quarters of a century, and she thus formed a connecting link between the present and the distant past, and was frequently consulted on matters pertaining to local history. Although many lives were given gladly by residents of this state in deference of the Union, yet there are hundreds in Clarksburg, and other sections of the state who revere the memory of the southern leader, "Stonewall" Jackson, who was born in this city seventy years ago, and it is in connection with him that Aunt Milly derives her greatest interest, for it was she who first dressed the baby that afterward became so famous in history. From 1809 to 1863 she remained a slave in one family, and at her death she was buried by those whom she had served so long and so well.

They're going both the women who wash, and the things that are washed, in the old-fashioned way. That constant rub, rub, rub, over the washboard does the business. Hard rubbing is hard work. Hard rubbing wears out the clothes; hard work wears out the women.

There's nothing of the kind, if you'll let Pearlina do the washing. All you'll have to do, then, is to look after it. It'll save all this work and rubbing that does so much harm. But, because Pearlina makes washing easy, you needn't be afraid that it isn't safe. That idea is worn out. Just as your clothes will be, unless you use Pearlina.

Peddlers and some unscrupulous grocers will tell you "this is as good as" or "the same as Pearlina." IT'S FALSE!—Pearlina is never peddled. If your grocer sends you an imitation, be honest—send it back.

Every one of these great pictures has given its author years of thought and labor.
